Subject: ALP Request the revised application package not meeting the scoring criteria move forward for Board consideration

Follow Up Flag: Follow up
Flag Status: Completed

Hi Hugh,

After reviewing the result, our board will like to request the revised application package to move forward for Board consideration. We will also like to check to see if we are allow to do the call to the public during the board meeting as there is a clearly misunderstanding of the review result to our education plan. Our program is innovation and cutting edge, and we will like to provide the missing gap to the board directly for the board to consider our charter school application.

Thank you for your help. Please let us know the time for the Feb board meeting. The website seems to indicate on 2/11/2013, but I am not sure the time of the day for the public meeting.

Best Regards,
Emily

Dear Ms. Sheen,

The review of your revised charter school application by the Technical Review Panel is complete. Upon review of the completed scoring rubric, it has been determined that one or more of the following criteria was not met:

- ✓ No evaluation area received a Falls Below the Expectation;
- ✓ No more than one evaluation area in each section was scored as Approaching;
- ✓ 95% of all evaluated areas scored at the Meets level;
- ✓ All necessary information was provided for completing a Background, Fingerprint, and Credit Check report;
- ✓ An interview with the applicant demonstrated sufficient qualifications to operate a charter school.

Because the revised application package fails to meet the expectations as evaluated, the Board intends to close the file unless, as described in Arizona Administrative Code R7-5-203 (8), the applicant submits a request that the revised application package not meeting the scoring criteria move forward for Board consideration. Such a request must be submitted via email to me at hugh.thompson@asbcs.az.gov by February 11, 2013 or the file will be closed. Requests received by January 25, 2013 will be included on the February Board meeting agenda. Requests received between January 26 and February 11, 2013 will be placed on the March Board meeting agenda.

A copy of the revised application scoring rubric has been included with this letter.
We encourage you to continue planning and to look for the application for the 2014-2015 cycle when it is approved by the Board in or before March 2013. If you have further questions about the application process, please contact me at (602) 364-3087 or hugh.thompson@asbcs.az.gov.

Sincerely,

Hugh Thompson
