IN THE OFFICE OF ADMINISTRATIVE HEARINGS

In the Matter of:	**No. 13F-AP-001-BCS**
John Hancock Academy, Inc. (an Arizona nonprofit corporation),	**Minute Entry**
Applicant	

The hearing of this matter was held on May 7, 2013. On May 8, 2013, an Order Holding Record Open for the purpose of allowing the parties to submit Proposed Findings of Fact and Conclusions of Law was issued, advising the parties that those filings would be due no later than June 14, 2013. On June 17, 2013, Applicant filed a Motion for Order of Stipulation of Settlement. On June 17, 2013, the Arizona State Board for Charter Schools ("Board") filed a Response in Opposition thereto.

Upon review and consideration of both the Motion and Response,

IT IS ORDERED DENYING Applicant's Motion. The majority of the relief that Applicant seeks is relief that this Tribunal does not have the jurisdiction to grant. The issues to be decided by the Tribunal will be whether the Board improperly did not approve the Applicant's application for a charter school and whether the Board improperly denied Applicant a charter based upon its determination that Applicant is not sufficiently qualified to operate a charter school. Those issues will be addressed in the Findings of Fact, Conclusions of Law, and Recommended Order to be issued by this Tribunal. The parties will be notified as to when the record in this matter will close. The parties are further advised that this Tribunal will not entertain any further filings in the matter and in the event that a filing does occur, no action will be taken with respect to such filing.

Done this day, June 18, 2013.
