Renewal Executive Summary

Sources of Evidence for this Document

Pursuant to A.R.S. 15-183.I, a charter may be renewed for successive periods of twenty years. The Arizona State Board for Charter Schools (Board) has established a process for the renewal of a charter that is based on affirmative evidence in three areas:

I. Meeting academic performance expectations
II. Meeting financial performance expectations
III. Adhering to the terms of the charter, including contract and legal compliance

Evaluation of the charter holder's success in these three areas is based on a variety of information that will serve as sources of evidence in determining renewal of a charter. These sources include, but are not limited to:

- Pupil achievement data
- Independent financial audits
- Five-year interval summary reviews
- Site visit reports
- Monitoring reports
- Application package for renewal
