Renewal Executive Summary

Sources of Evidence for this Document

Pursuant to A.R.S. 15-183.I, the Arizona State Board for Charter Schools (Board) has established a process for the renewal of a charter that is based on affirmative evidence in three areas:

I. Success of the academic program, including academic achievement
II. Viability of the organization, including fiscal management and compliance
III. Adherence to the terms of the charter, including contract and legal compliance

Evaluation of the Charter Holder's success in these three areas is based on a variety of information that will serve as sources of evidence in determining renewal of a charter. These sources include, but are not limited to:

- Pupil achievement data
- Independent financial audits
- Five-year interval summary reviews
- Site visit reports
- Monitoring reports
- Application package for renewal

I. Success of the Academic Program

The academic performance of the school operated by the Charter Holder meets or demonstrates sufficient progress toward the Board's level of adequate academic performance. Therefore, the Charter Holder was not required to submit a Performance Management Plan.

The Charter Holder meets the standards specified in the *Renewal Application Instructions*. Therefore, the Charter Holder was not required to submit the Charter Holder's Financial Sustainability portion of the Detailed Business Plan Section.

III. Adherence to the Terms of the Charter

A. Compliance Matters Requiring Board or Other Agency Action[1]

Over the past six years, there were no items to report.

B. Other Compliance Matters[2]

Over the past six years, there were no items to report.

C. Charter Holder's Organizational Membership

Because the organizational membership on file with the Board was consistent with the information on file with the Arizona Corporation Commission, the Charter Holder was not required to submit the Charter Holder's Organizational Membership portion of the Detailed Business Plan Section.
