ATTACHMENT C

Report Submission Directions

The Charter Holder must submit all required documentation to Board staff on a flash drive or CD through hand delivery or mail in a protected package (i.e. bubble wrapped) by the required date identified in the Agreement. The flash drive or CD used for submission must be clearly labeled with the Charter Holder name, both physically (Charter Holder name written on or attached to the outside of the flash drive or CD) and electronically (rename the flash drive or CD with the name of the Charter Holder using the computer operating system).

The Charter Holder must prepare electronic copies of all required documentary evidence for Board staff according to the following guidelines:

1. All documents must be organized in electronic folders organized by **Evaluation Criteria Area** and **document name/identification** as listed in Attachment B: DSP Site Visit Inventory.
   a. Main folders must be created for each strategy area of Curriculum, Monitoring Instruction, Assessment, Professional Development and Data.
   b. Sub folders must be created for all action steps within that strategy, and documents should be placed in the appropriate subfolder.
2. Folders should adhere to the following naming conventions:
   a. Curriculum_<NAME OF CHARTER>
      i. C.1_Documentation
      ii. C.2_Documentation
      iii. Include folders for all document identification sections in the DSP Site Visit Inventory for Curriculum. Name folders according to the guidelines above.
   b. Assessment_<NAME OF CHARTER>
      i. A.1_Documentation
      ii. A. 2_Documentation
      iii. Include folders for all document identification sections in the DSP Site Visit Inventory for Assessment. Name folders according to the guidelines above.
   c. Monitoring Instruction_<NAME OF CHARTER>
      i. M. 1_Documentation
      ii. M. 2_Documentation

        iii. Include folders for all document identification sections in the DSP Site Visit Inventory for Monitoring Instruction. Name folders according to the guidelines above.
    d. Professional Development_<NAME OF CHARTER>
        i. P.1_Documentation
        ii. P. 2_Documentation
        iii. Include folders for all document identification sections in the DSP Site Visit Inventory for Professional Development. Name folders according to the guidelines above.
    e. Data
3. Include only files of the following file types: .doc, .docx, .xls, .xlsx, .pdf.
4. Scanned documents must be no less than 100% of the original size.
