Application Overview

Introduction

Charter schools were established to provide a learning environment that will improve pupil achievement and provide additional academic choices for parents and pupils (A.R.S. §15-181).

The Arizona State Board for Charter Schools (“Board, ASBCS”) follows the procedures set forth in A.R.S. §15-183 and §15-183.01, and Arizona Administrative Code (“Rule, A.A.C.”) regarding the annual Application for New Charter cycle. A copy of the statutes relating to the Board’s application process may be found at <http://www.azleg.gov/ArizonaRevisedStatutes.asp?Title=15>. A copy of the Rules relating to the Board’s application process is on file with the Arizona Secretary of State and can be accessed through http://www.azsos.gov/public_services/Register/2014/8/final.pdf.

The Board approved the 2016-2017 application on **MONTH, ##, 2015**. The final deadline for submission of the application package is **May 22, 2015 at 11:59 p.m.** There are no extensions or exceptions to the deadline.

Complete application packages will be accepted in electronic form only, unless the application is completed through the alternative submission process (see page 13). Electronic submission of new charter application packages must be submitted online through a web-based application wizard on the ASBCS Online database located at <http://online.asbcs.az.gov>.

Application Process

- **Instructions and Evaluation** - The specific instructions and evaluation criteria for each component of the application are included and detailed within the section listed in the Table of Contents. In addition to being scored for content, the application package will also be evaluated for readability. Special instructions for the completion of the Attachments are provided within each attachment.

Prospective Applicant Online Technical Assistance is available on the Board’s website at <http://asbcs.az.gov> under “Apply for a New Charter”.

Prospective Applicants should be aware that, if approved, they will not be eligible to add grades, enrollment cap, or new sites to the charter contract until, at the earliest, the third year of operation. Ensure that the plans included in the application package represent a sustainable business model, and that the grades served, enrollment cap, and number of sites requested represent the full extent of the Applicant’s expansion plans for the first three years of operation. Details on eligibility to submit expansion requests are available on the Board’s website at <http://asbcs.az.gov> under “Changes to an Existing Charter”.

- **Submission** – Application packages submitted online through a web-based application wizard on the ASBCS Online database will be accepted until the deadline of **Friday, May 22, 2015 at 11:59 p.m.** For details, refer to the **Submission Instructions** on page 9.
- **Application Processing Fee** – An application processing fee (“Fee”) is required to complete the submission of a new charter application package. The fee of \$6,500, in the form of a single personal check or cashier’s check (“Check”) made payable to *Arizona State Board for Charter Schools*, with the name of the Applicant printed on the front, must be received via U.S. mail (ASBCS, P.O. Box 18328, Phoenix, AZ 85009), Fedex/UPS (to the physical address: 1616 W. Adams St. Suite 170, Phoenix, AZ, 85007) or hand delivery to the Board office **during regular office hours** on or before the submission deadline of **Friday, May 22, 2015**. Failure to timely submit the Fee will result in the

application being deemed administratively incomplete. All checks shall be deposited within five days of submission.

- If an Applicant's application processing fee payment to the Board is dishonored for any reason including an insufficient funds check:
 - The application package shall be deemed administratively incomplete, and
 - The Applicant shall use a cashier's check to pay the application processing fee for any application package submitted to the Board by the Applicant at any later date.
- If an application package is found to be administratively incomplete, and the Applicant paid the application processing fee, the fee shall be refunded to the Applicant. The application processing fee refund shall be mailed by U.S. Postal Service regular mail to the authorized representative at the address provided in the application package.
- If an application package is found to be administratively complete, the application processing fee shall become non-refundable.
- **Administrative Completeness** – Board staff confirms whether the application package contains all components required by statute, rule, and application instructions, and that the Fee has been timely received. An administratively complete application package must follow formatting requirements described on page 11, adhere to the page limitation, if identified, in each section and contain:
 1. Complete information for each application component, including:
 - Cover Page (Information must be consistent with the contents of the application package),
 - Title Page (Information must be consistent with the contents of the application package), and
 - Target Population Page (Information must be consistent with the contents of the application package);
 2. All narrative sections, required exhibits and attachments;
 3. All necessary information for completing a Background, Fingerprint, and Credit Check report for each Authorized Representative and Principal, including a valid Arizona Fingerprint Clearance Card (“FCC”) and verification of coursework (if applicable);
 4. Confirmed availability of start-up funds as listed in the application package and the Verifiable Proof of Secured Funds (“VPSF”) form;
 5. Curriculum Samples submitted on the approved template, identifying the Required Standard (English Language Arts and Math)/Performance Objective (Science), and following the criteria for administrative completeness found on page 27; and
 6. Required documents submitted on the application attachment and/or template approved for the 2016-2017 fiscal year.

By March 31 of each year, the Board approves and makes available in writing at its office and online at its web site an application for a new charter for a specified fiscal year. On **MONTH ##, 2015**, the Board approved the application for a new charter for the 2016-2017 application cycle, which includes templates and attachments designated by the Board. Templates and attachments must not be altered from the approved content, format and sequence. An application package submitted for a new charter may be deemed administratively incomplete if

it contains modifications to the content, format or sequence of the templates or attachments or if it contains templates or attachments that were approved for use in a prior fiscal year.

Failure to meet the criteria above will result in the application package being deemed Administratively Incomplete. The application will be evaluated based on the information that is included in the application package when it is submitted. Applicants will receive written notification of the deficiencies not more than 25 business days after the submission of the application package and processing fee (whichever comes last). If the application is deemed administratively incomplete, the Applicant's file will be closed. The Applicant, upon receiving notice of an incomplete application package, may submit a new application package, as long as the submission deadline of **May 22, 2015** at 11:59 p.m. has not passed.

- **Substantive Completeness** – Upon determination that an application package is administratively complete, the Technical Review Panel (“TRP”) will score the application package using the evaluation criteria. Staff will complete the Background, Fingerprint, and Credit Check as part of the substantive review.

A substantively complete application package meets the following scoring requirements:

- ✓ No evaluation area receives a score of Falls Far Below the Expectation; and
 - ✓ No more than one evaluation area in each section is scored as Approaching; and
 - ✓ 95% of the evaluation areas in each Plan (Educational Plan, Operational Plan, Business Plan) score at the Meets level.
- *Substantively Incomplete Preliminary Application Package* – Each Applicant whose application package fails to meet the scoring requirements will receive written notification of the deficiencies, including a copy of the scoring rubric completed by the TRP. An Applicant with a substantively incomplete preliminary application package then has two options for continuing in the application process:
 - The Applicant may use the information provided in the scoring rubric as technical assistance to improve the application package, and resubmit within 20 days of notification for review by TRP members, or
 - Within 20 days of notification, the Applicant may submit a written request that the preliminary application package be considered by the Board without revision, or
 - Within 20 days of notification, the Applicant may submit a written request that the preliminary application package be withdrawn.

If a revised application package or letter has not been submitted within 20 days of notification, the Applicant's file will be closed.

Revisions to the application package may not include changes to the composition of the Applicant. The Background Information Sheet and the Affidavit, Disclosure, and Consent for Background and Credit Check should not be included in the revised application package unless the Applicant is specifically requested to provide new documents.

- *Substantively Incomplete Revised Application Package* – Each Applicant whose revised application package fails to meet the scoring requirements will receive written notification of the Board's intent to close the file. This notification will include a copy of the scoring rubric completed by the TRP. To continue in the application process, within 20 days of notification, the

Applicant must submit a written request that the substantively incomplete revised application package be considered by the Board, or the Applicant's file will be closed.

- **Background Check, VPSF and Due Diligence Process** – Board staff will conduct a background and credit check of each principal of the Applicant, confirm each principal possesses a valid FCC, confirm availability of start-up funds, and conduct a due diligence process relating to current or former charter operations of the Applicant, any principal of the Applicant, or an Education Service Provider. If issues arise from the information obtained during the background and credit checks of any principal, the Board staff shall, in writing, notify the pertinent principal of the issues and the principal will have the opportunity to present a written response clarifying the information. Information obtained and communications conducted during this process shall be considered by the Board in making its decision on whether to grant or deny a charter.
- **In-Person Interview** – Upon determination that a preliminary or revised application package is substantively complete, or upon receipt of a written request for a substantively incomplete application package to be considered by the Board, the Applicant must make themselves available for an in-person interview to:
 - ✓ Demonstrate a thorough understanding of the Educational Plan, Operational Plan, and Business Plan presented in the written application package, and
 - ✓ Demonstrate the capacity to implement a plan to operate a high-quality charter school, and
 - ✓ Address any issues that arise during the due diligence process relating to current or former charter operations of the Applicant, any Officer, Director, Member, or Partner, or an Education Service Provider.
- **Board Consideration** – A substantively complete application package, or a substantively incomplete application package with timely submission of a written request for consideration, is eligible to be forwarded to the Board for consideration. Board members will be provided with:
 - The application package;
 - A link to the audio recording of the in-person interview;
 - The scoring rubric completed by the TRP;
 - A report prepared by Board staff including:
 - TRP analysis of the quality of the application package, summary of the in-person interview, and analysis of Applicant capacity;
 - Staff's analysis of information regarding the academic and financial performance of any charter authorized by the Board and operated by an Applicant, any principal of the applicant, or an Education Service Provider;
 - Information regarding the results of the Applicant's background, fingerprint, and credit checks;
 - Information regarding the due diligence check of current or former charter operations; and
 - Staff's recommendation regarding the application package.

Applicants will be notified of the date of the Board's consideration and how to access the information provided to the Board. Authorized Representatives and Principals of the Applicant will be provided an opportunity to address the Board, and should be in attendance to answer questions

from the Board. No new documents from the Applicant may be added to the application package or distributed to the Board at the Board meeting.

The Board will follow the requirements of statute and rule in determining whether to approve the charter.

If the Authorized Representative does not have an account, click **Register**.

Enter the First Name, Last Name, Date of Birth, and Last 4 Digits of SSN for the Authorized Representative, then click **Register**. If this information has not already been entered in the system, it will open a new window called **Create a New Charter Applicant Account**. Fill out the fields as specified on the webpage.

Open the email and click the link, or copy and paste the link into a browser window. This will take you to the ASBCS Online Login screen. This will also generate a second email, which contains a **temporary password**.

Return to the Login screen and enter your User ID, which is the Authorized Representative email address, and the temporary password. The system will immediately ask you to **Change Password**. Enter the temporary password in **Current Password**, and choose a **New Password**, which you will enter twice.

Inputting Data into the Application Wizard

The Application Wizard on the ASBCS Online system has 6 parts (Cover Page, Title Page, Target Population, A: Educational Plan, B: Operational Plan, C: Business Plan), which may be completed in any order. The instructions below are given in the order they appear in the Table of Contents.

Cover Page

The Applicant Agreement Information must be signed by a designated Authorized Representative of the Applicant entity. Use the password of the account which created the application to sign the form. If the name connected with the password used for the signature is not an Authorized Representative, the application package will be deemed Administratively Incomplete.

Title Page

Uploading and Saving Files

The Title Page and parts A (Educational Plan), B (Operational Plan), and C (Business Plan) require the attachment of files generated outside the application wizard. Before uploading and saving a document, ensure that the file meets all evaluation criteria, is thoroughly proofread, and contains accurate information.

- ***In sections allowing only a single document:*** Click on **Browse**. A window will open allowing you to select the file on your computer. Click on the file and click **Open**. Once the file path and name appears in the box, click **Save and Continue**. The file name will be changed to reflect the section title. Once saved, click **View uploaded file** to ensure that the correct file was uploaded. To revise the file before submitting, upload and save again – the previous version will be automatically removed.
- ***In sections allowing multiple document uploads:*** Many sections require multiple documents to be uploaded. In these sections, for each document, click **Add a New Attachment**. Click on **Browse**. A window will open allowing you to select the file on your computer. Click on the file and click **Open**. Write a **Brief Description** of the file in the box (e.g.: 4th Grade Reading, Bylaws). Once the file path and name appears in the box, click **Add Attachment**. Click **Save and Continue**, at which point the file name will be modified, with a prefix at the beginning and a number at the end. Once saved, click **View/download file** to ensure that the correct file was uploaded. To revise a document before submitting, click **remove** to delete the old one before uploading the new one.

Note: Once you click **Open**, the file will be saved to your browser, NOT to the ASBCS Online system. You must click **Save and Continue** to transfer the file to the ASBCS Online system. Files uploaded but not saved may Timeout, and will need to be uploaded again.

Alternative Submission Process

As an alternative to an application submission using the ASBCS Online system, an Applicant may submit the application package in the form of electronic files on a flash drive, using the Alternative Submission Process. An Applicant may notify the Board of its intent to submit an application using the Alternative Submission Process by submitting a signed, notarized **Waiver of Online Submission of Application for New Charter** ("Waiver") to the ASBCS office. The Waiver must be **received no later than close of business on Friday, April 3, 2015**. The Waiver must be delivered by hand delivery, FedEx or UPS to the ASBCS office at 1616 W. Adams St., Suite 170, Phoenix, AZ, 85007.

Within ten (10) days of the Board's receipt of the Waiver, ASBCS staff will send an Acknowledgement of Timely Receipt email, including Alternative Submission forms, to the email address of the Applicant provided on the Waiver. If Board staff notifies the Applicant that the Waiver was not received by the Waiver deadline, the Applicant may submit an application using the ASBCS Online system.

An Applicant who submits a timely Waiver waives the right to have the Board consider any application package submitted online for the current application cycle (2016-2017). No application package will be accepted through the Alternative Submission Process unless a Waiver has been received by the Waiver deadline and acknowledged as timely by Board staff. An application submitted using the Alternative Submission Process will undergo the same administrative and substantive review process described on pages 4-6.

The Alternative Submission Process requires the Applicant submit a complete application package, saved on a flash drive, to the ASBCS office. **This submission must be received no later than close of business on May 8, 2015.** The flash drive must be delivered in a protected package (e.g., bubble wrapped) by hand delivery, FedEx or UPS to the ASBCS office at 1616 W. Adams St., Suite 170, Phoenix, AZ, 85007. A.5 Academic Systems Plan

Applicant Instructions

New charter Applicants must submit an Academic Systems Plan (“ASP”) as a part of the Educational Plan section of the application. The ASP is for the purpose of ensuring the school’s essential systems are in place and appropriate for providing a quality education for each student it serves through the creation of a comprehensive, sufficiently detailed and implementable plan in the Areas of Curriculum, Assessment, Monitoring Instruction, and Professional Development. It is also intended to focus the school on meeting the Board’s Academic Performance Expectations (see Terms to Know).

If the application package is approved by the Board and the Applicant is awarded a charter, the application package, including the ASP, become a part of the charter contract. Failure to implement the ASP may result in corrective action.

The Applicant will prepare and submit a plan consisting of action steps for all Areas outlined in the ASP. The ASP will be completed using the template provided by ASBCS. For each action step, the Applicant must provide essential details, responsible party(ies), intervals, description of the documentation, and cost and budget amounts generated by the action step, as described in evaluation criteria. Only one completed ASP will be required. The following components constitute an ASP:

- **Expected/Predicted Baseline** – Identify the current academic performance level of target population at the time of enrollment in Percent Passing and Student Growth Percentile (“SGP”) in Math and in Reading.
Establishing Predicted Baseline Measurements: To determine the Predicted Baseline measure, gather data regarding academic performance of the target population in similar or comparison schools. The annual target for the plan is to Meet or Exceed the Board’s Academic Performance Expectations.
- **Narrative for setting baseline figures** – A description of what data and assumptions are used in determining the baseline levels of both Percent Passing and Student Growth Percentile. This may include, for example, listing the schools from which the proposed schools expects to draw its population, citing their scores, and describing how the calculations were set up.
- **Action Steps** – Identify specific actions, tasks, or meetings that contribute to each system for each Area.
- **Essential Details** – Include a description of the fundamental elements for each action step including any information that is collected, reviewed, or created. Include any criteria used for making decisions, and any external technical guidance support that will be utilized for the completion of the action. Essential details will answer all what, where, and how questions required to enable implementation of each action step as described in the evaluation criteria.
- **Intervals** – Provide the frequency (i.e. weekly, monthly, every other Wednesday) and timing (i.e. two days after benchmarking testing, within 48 hours of completing a classroom observation) for the completion of each action step.
- **Responsible Party(ies)** – Identify the title/role/position of the individual(s) that are responsible for completing each action step.
- **Evidence of Meeting Action Steps** – List documentation that will serve as evidence of the completion of the action step. Evidence must be able to demonstrate completion of all components of the action step.

- **Cost and Budget Line Item** – Identify any specific cost to implement an action step, if applicable (e.g. materials, external trainers), and the budget line item where that cost is included and described in the budget assumptions. (Note: actions that would be considered part of the regular job duties of Applicant employees, as described in B.3 Management and Operation or C.3 Personnel, do not need to be listed.)

Instructions for Completing an ASP

1. View the Online Technical Assistance (OTA) presentation on completing an ASP titled, “Educational Plan Part 2 Academic Systems Plan” available on the Board’s website at <http://asbcs.az.gov> under “Apply for a New Charter”. The OTA presents a set of guiding questions that will help you understand the scope and depth required for an acceptable ASP.
2. Review the evaluation criteria below, starting with criteria a and b in determining baseline figures, followed by c through f regarding the elements for each Area, then criteria g through k addressing elements of the action steps, in order to understand the criteria by which the ASP will be evaluated.
3. Download a copy of the ASP Template from the New Application links on the ASBCS Online system and complete it according to steps 4-11.
4. Use available academic performance data to determine the baseline performance levels of the incoming students from the target population and list them in the Expected/Predicted Baseline section for Math and Reading.
5. Provide a description of the basis for setting predicted baseline figures in the Narrative section.

Steps 6-11 should be completed separately for each Area of the ASP.

6. Outline the process(es) that will be implemented by the Applicant for each element of each Area (e.g., the process for adopting curriculum), including elements that address subgroup populations (Free and Reduced Lunch, English Language Learners, students with disabilities, and students in the bottom 25%).
7. Break the processes into discreet, sequential action steps and identify the fundamental elements for each action step which answer the questions of what, where, and how.
8. Identify the intervals, responsible party(ies), and documents that will be generated through the process(es) that will serve as evidence of implementation.
9. Identify any specific costs that will be incurred in completing an action step (e.g. purchasing assessment material, hiring trainers), identify the costs by budget line item, and ensure that those costs are fully detailed in the appropriate Budget Assumptions.
10. Present the action steps on the ASP Template in the appropriate column, followed by the essential details, intervals, responsible party(ies), evidence of documentation, and cost and budget line item columns
11. Once complete, review the ASP against the evaluation criteria to ensure that all elements have been adequately addressed. Thorough and sufficiently detailed responses will describe processes that respond to and address each of the Area components through clearly described actions steps, essential details, identified responsible parties, intervals, and documentation to serve as evidence for each action step, and if applicable cost and budget line item.
