

New Charter Application Fee for Applicants with Online Instruction

Instructions:

An application processing fee (“Fee”) is required to complete the submission of a new charter application package, including those submitted through the alternative submission process. The Fee of \$6,500, in the form of an Automated Clearing House (“ACH”) transfer. An ACH is an electronic fund transfer made between banks and credit unions across what is called the Automated Clearing House network, and is used for all kinds of fund transfer transactions, including direct deposit of paychecks and monthly debits for routine payments.

See the section titled “Application Processing Fee” for Additional Information.

Additionally, a non-refundable AOI processing fee in the form of a check or money order must be submitted via ACH transfer. A separate \$3,000 is required for each grade category. Grade categories consist of elementary (K-8), high school (7-12), and/or course provider only. Amendments that include multiple Learning Management Systems or curriculum providers will be evaluated separately and could require an additional fee.

Therefore, an applicant intending to apply for:

- **Grades K-8 (or any combination of these grades) with an AOI component must submit a fee of \$9,500;**
- **Grades 7-12 (or any combination of these grades) with an AOI component must submit a fee of \$9,500; and**
- **Grades K-12 (or any combination that includes grades from both K-8 and 9-12 with an AOI component must submit a fee of \$12,500.**
