Description of changes

Change From:

The current Program of Instruction on file with the ASBCS is still valid and describes the background of The Leona Group when the charter was originally applied for as well as the block scheduling system. The current Program also lists targets of reducing truancy and drop outs, standards mastery, student growth and behavior expectations.

Change To:

This addendum is designed to show that our methods of instruction and special emphasis support our mission of serving alternative students. More than 70% of our population arrives with credit deficiencies and or unable to meet grade level performance standard as demonstrated on state assessments or Galileo benchmark testing normed at the state level. Our mission is to give students the knowledge and support so that they can recover lost credits and gain the knowledge necessary so that they can earn a high school diploma.
