 Arizona State Board for Charter Schools
 1616 West Adams St. Phoenix, AZ 85007

Objective

Discuss indicators and metrics to be used in the revised methodology for calculating a school's Overall Rating.

Guiding Questions

1. What type of information should go into the dashboard and how does it reflect student achievement?
2. What indicators of school quality would you like to see added to the dashboard?
3. How is the existing dashboard deficient in measuring school quality?
4. Should the Overall Rating align to statewide accountability system? To what degree?
5. What data is available? How should weights be redistributed?
