Agricultural Land Regulation Assurance and Understanding

Arizona Revised Statute §15-183 (U) states, "Charter schools may not locate a school on property that is less than one-fourth mile from agricultural land regulated pursuant to section 3-365, except that the owner of the agricultural land may agree to comply with the buffer zone requirements of section 3-365. If the owner agrees in writing to comply with the buffer zone requirements and records the agreement in the office of the county recorder as a restrictive covenant running with the title to the land, the charter school may locate a school within the affected buffer zone. The agreement may include any stipulations regarding the charter school, including conditions for future expansion of the school and changes in the operational status of the school that will result in a breach of the agreement."
