AFPECHS, Inc. – Narrative for Adding Grade Levels Amendment Request

The increase in grade levels is due to the merging of two online schools, transferring an existing K-8 school to a charter with an existing 9-12 school. Both schools are aligned with mission, educational philosophy, and methods of instruction. No changes in staffing will be necessary to implement the new grades.

AFPECHS, Inc. – Timeline

The integration of the two schools would take place for school year 2016-2017 and all activities for migration would be on or around July 1st, 2016. The Adding Grade Levels to Charter Amendment Request is being submitted in conjunction with three additional notification requests that warrant concurrent consideration: New School Site Notification Request, Enrollment Cap Notification Request, and Charter Holder Location Notification Request.
