

Charter Holder Status Amendment Request: Change in the Entity Name or Change in the Legal Status

Purpose

The *Charter Holder Status Amendment Request* is used to:

- Change the entity name of the charter holder, or
- Change the legal status of the charter holder.

A change in the legal status of the charter holder is not effective until approved by the Board. A change in the entity name may be approved by the Executive Director or may be placed on the agenda of a regular Board meeting.

Before submitting this request, ensure the charter holder is in compliance per the Board's [policy](#). If a charter holder is not in compliance, the request may be deemed incomplete and the non-compliance may be recorded on the charter holder's operational dashboard.

Determining Eligibility

Any charter holder may submit a *Charter Holder Status Amendment Request* to change the entity name and legal status of the charter holder.

Board Consideration

A substantively complete amendment request to **only** change the entity name of the charter holder may be considered for approval by the Executive Director or may be placed on the agenda of a regular Board meeting.

A substantively complete amendment request submitted by a charter holder to change the legal status shall be placed on the agenda of a regular Board meeting.

A finding that the charter holder is not in compliance in one or more operational areas may result in a delay in consideration of the request.

Instructions for the Request

Work through the form, filling in all required fields and uploads (denoted by "*"). Follow the instructions for each upload field. Be sure to save your work, even if you aren't prepared to submit your form, so that you do not lose your data.

If you have additional questions about the type of change requested or the requirements of your request, contact your Education Program Manager ("EPM") for assistance. To find your EPM, view the filterable list of [EPM assignments](#).
