

AGENDA ITEM: Compliance Matters – El Centro for the Study of Primary and Secondary Education

Issue

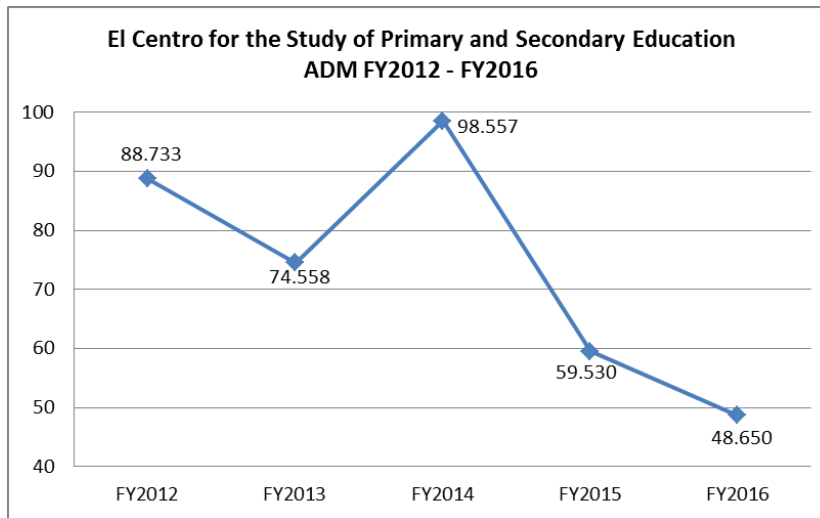

El Centro for the Study of Primary and Secondary Education (“El Centro”) has failed to submit its fiscal year 2015 audit reporting package (“audit”). Based on direction provided to staff at the Board’s January 12, 2016 meeting, El Centro has been placed on the agenda for the Board to consider whether to proceed to a hearing as allowed under the charter holder’s July 2012 settlement agreement.

Background – General Information

El Centro operates one school, Pepe Barron Middle School, serving grades 6-8 in Tucson. El Centro’s performance under the Board’s Performance Framework is summarized below. The Academic Dashboard, Financial Dashboard, and condensed and detailed Operational Dashboards may be found in Appendix A.

Area	Acceptable	Not Acceptable
Academic Framework	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Financial Framework	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Operational Framework	<input checked="" type="checkbox"/>	<input type="checkbox"/>

The graph below shows El Centro’s 100th day average daily membership (ADM) for fiscal years 2012 through 2015 and its 40th day ADM for fiscal year 2016.

In April 2014, El Centro filed for bankruptcy protection. The bankruptcy proceeding prevents the Board from taking action to withhold 10% of El Centro’s monthly state aid apportionment until the fiscal year 2015 audit is received.

In January 2015, El Centro was notified of its eligibility to apply for renewal, but chose not to submit a renewal application package. Therefore, El Centro’s charter contract will expire on July 6, 2016.

Background – Settlement Agreement and Audit Submission History

As a result of El Centro’s past failures to timely submit its audits, in July 2012, the Board approved a Settlement Agreement with the charter holder. Under the Settlement Agreement’s terms, El Centro agreed to submit a complete fiscal year 2012 audit and all subsequent fiscal year audits by the audit deadline. Pursuant to the Settlement Agreement, if the charter holder fails to comply with the terms and conditions of the agreement, the Board may, on no less than 30 calendar days notice, hold a hearing at which time the Board will receive information to determine whether evidence exists that the charter holder has failed to comply with the terms

and conditions of the agreement. If the Board determines a breach of the agreement has occurred, the Board may revoke the charter holder's contract and terminate the charter contract.

Based on information showing that it had expended more than \$500,000 in federal awards in fiscal year 2012, El Centro was granted an extension to March 31, 2013 for submitting its fiscal year 2012 audit. On April 5, 2013, El Centro submitted a financial statement audit to the Board instead of a single audit. As a result, El Centro's fiscal year 2012 audit was submitted nearly five months after the applicable deadline of November 15, 2012. In June 2013, the Board approved an amendment to the Settlement Agreement stating that if a similar situation occurred in the future, this would be a breach of the charter, state law, and the terms of the Settlement Agreement and amendment, and the Board could proceed to hearing.

The information below reflects El Centro's audit history since the Settlement Agreement has been in place:

Fiscal Year 2012 – Late (Settlement Agreement amended)

Fiscal Year 2013 – On time

Fiscal Year 2014 – Late

Fiscal Year 2015 – Late (Not yet received)

Board Actions and Recent Communications

The following is a timeline of activities that have occurred related to El Centro's fiscal year 2015 audit:

November 17, 2015: El Centro was notified that the fiscal year 2015 audit had not been received and that the charter holder would be placed on the Board's November 20, 2015 agenda for possible disciplinary action.

November 20, 2015: The Board found El Centro in noncompliance for its failure to submit the fiscal year 2015 audit and acknowledged that had the bankruptcy filing not prevented it, the Board would have withheld 10 percent of El Centro's monthly state aid until the audit is submitted to the Board. Further, if a complete audit had not been received by December 31, 2015, the Board's motion directed staff to place El Centro on the Board's January 2016 agenda for the Board to consider whether to proceed to a hearing as allowed under the July 2012 settlement agreement. On November 20th, an email describing the Board's action was sent to El Centro.

December 30, 2015: El Centro's charter representative informed Board staff that the audit was complete and indicated he was working with the audit firm to issue the audit. With the holiday, he did not know if the audit would be submitted to the Board prior to the agenda being posted, but indicated the Board should receive El Centro's audit prior to the January meeting.

January 6, 2016: El Centro was notified that pursuant to the Board's November 20th motion, El Centro has been placed on the Board's Tuesday, January 12, 2016 agenda for the Board to consider whether to proceed to a hearing as allowed under the charter holder's July 2012 settlement agreement for failure to submit the fiscal year 2015 audit. A link was provided in the email to the agenda and meeting materials.

January 12, 2016: The charter representative was not in attendance at the Board meeting. After much discussion, the Board directed staff to contact the charter representative and share the Board's concern over El Centro's continued noncompliance with the law, its violation of the Settlement Agreement, and lack of responsiveness. The Board directed staff to place this matter on the February agenda should the 2015 audit not be received, so that the Board could make a more informed decision with the charter representative present.

January 12, 2016: Staff contacted El Centro's charter representative, conveyed the information requested by the Board and suggested that the charter representative listen to the recording once it is posted. The charter representative indicated he had the Board meeting on his calendar for January 18th instead of January 12th.

January 28, 2016: Board staff spoke with El Centro's charter representative. Regarding the fiscal year 2015 audit, El Centro's charter representative stated the audit firm has completed the audit. The audit will likely not be submitted to the Board. El Centro's charter representative indicated it would be easier to pay the audit fee owed to the audit firm over eight months than to come up with a lump sum payment now. At this time, he said he is focused on using the available resources to keep the school operating through the end of the school year. El Centro's charter representative said he plans to attend the meeting on February 8th.

Board Options

Option 1: Since at its November 20, 2015 meeting the Board found El Centro for the Study of Primary and Secondary Education in noncompliance for failure to submit the fiscal year 2015 audit and since El Centro's charter contract will expire on July 6, 2016, staff recommends the Board not proceed to a hearing as allowed under the July 2012 settlement agreement and take no further action at this time.

Option 2: The Board may vote to hold a hearing to determine if a breach of the settlement agreement has occurred. The following language is provided for consideration: I move, under the terms of the July 2012 settlement agreement, that a hearing be held to determine whether evidence exists that El Centro for the Study of Primary and Secondary Education failed to comply with the terms and conditions of its July 2012 settlement agreement. Pursuant to the settlement agreement, the hearing date shall be scheduled at least 30 days after the charter operator receives notice of today's action.

- Within 48 hours of receipt of the Notice the charter operator shall notify staff and parents/guardians of registered students of the Notice and provide a school location where the copy may be reviewed;
- Within 20 days of receipt of the Notice the charter operator shall provide copies to the Board of all correspondence and communications used to comply with the preceding provision; and
- Within 20 days of receipt of the Notice the charter operator shall provide the Board with the names and mailing addresses of parents/guardians of all students registered with the school.

Additional Information

The fiscal years 2013 and 2014 audits include combined financial information for three entities, including El Centro for the Study of Primary and Secondary Education. The information above reflects the financial performance of El Centro for the Study of Primary and Secondary Education. Based on the fiscal years 2013 and 2014 audits, the combined entity does not meet the Board's financial performance expectations.
