

Arizona State Board for Charter Schools

Instructional Staff Assurances / Marketing and Outreach Assurances Form

A.R.S. § 15-901.06 allows charter schools that provide instruction to high school students to offer a dropout recovery program for eligible students and allows for charter schools to contract with an educational management organization to provide a dropout recovery program. For additional information on this statute review the Dropout Recovery Program Amendment Request.

If the charter holder is contracting with an educational management organization, fill out the following information, check both boxes, sign at the bottom, and upload this document with the Dropout Recovery Program Amendment Request.
