Financial Performance Framework: “Intervention” Submission Checklist for Charters Required to Submit Initial Probation Financial Response

Under the Board’s [Financial Performance Framework](#), a charter holder is assigned one of three summative financial performance ratings – “Good Standing,” “Adequate Standing,” or “Intervention.” A charter holder assigned a rating of “Intervention” must submit specific information to the Board regarding the charter holder’s financial performance. **Below please find a checklist developed by the Board for use by charter holders assigned an “Intervention” rating based on the fiscal year 2020 audit after being identified as “On Probation” and, therefore, required to submit an Initial Probation Financial Response to the Board.** The submission requirements included on the checklist originate from Arizona Administrative Code (“A.A.C.”) R7-5-509 and R7-5-101.
