Mission

Change From

The mission of the Franklin Phonetic Primary School is to teach all kindergarten, first and possibly second and third grade children how to read spell and express themselves at abilities on or above their chronological grade level. Students will also be able to perform grade appropriate tasks in the areas of math, science, social studies, computer application, art, music and Spanish. Reading proficiency is the core goal of our curriculum. From this skill most other academic skills are built. We know from experience that ALL children can learn and be successful if they are given sequential logical instruction. To accomplish this goal we use a strong multi-sensory phonics program that has been proven effective in bringing achievement far above grade level. Another school goal is to keep families constantly informed about their child's progress and what is going on at the school. We wish to make parents and teacher partners in education. The school will provide students who are having difficulty with free after school tutoring by qualified specialists. The school strives to insure that all children meet and surpass prescribed grade level expectations. Children will learn to study, behave appropriately and value learning as they are taught in an exciting orderly classroom environment. Another school of the school is to meet the needs of a culturally and economically diverse student body. The school strives to meet the needs of all students and please all families, including those who favor a nontraditional approach to education.

Change To

The Mission of the Franklin Phonetic Primary School is to prepare students with the academic skills and personal attributes that will allow them to be successful in their future college and career choices. Students will be able to perform grade appropriate tasks in all academic areas. Reading proficiency is strongly emphasized as it is the foundational skill upon which many other academic competencies are built. The school strives to insure that all children meet and surpass prescribed grade level expectations. Children will learn to study, behave appropriately and value learning as they are taught in an exciting orderly classroom environment. By involving parents and including fine arts and foreign language instruction within the curriculum, the school strives to meet the needs of all students and please all families, including those who favor a more traditional approach to education.

Franklin Phonetic Primary School

Board Meeting

October 29, 2015 @ 3:30 pm

The meeting of the Franklin Phonetic School Board was called to order at Franklin Phonetic School, 6116 E. Hwy 69, Prescott Valley, AZ 86314 by Becky Fitch. Also present were Tracy Lira, and Kelly Hawley. Via phone participation was Alison Alva, Melanie Franklin, Audrey Wright, Cindy Franklin, Tom Franklin, and Debra Denette. Not present: Neil Wright

Approval of prior meeting minutes from September 17, 2015. Alison Alva motioned to accept the minutes. The motion was seconded by Becky Fitch and passed unanimously.

Financial Report:

Alison Alva reported that the 21st Century Grant money is in. Some accounts are being moved around so things look like we are in the negative but not really that way. Our net is lower than normal due to three payrolls this month. All in all financial status is good.

Our lunch program is paying for itself with some profit. It was stated that a survey is going out to the students and parents to determine which meals are liked the most and which are not favorites in order to eliminate some waste and have the students enjoy the meals more. An idea was put out to possibly offer two entrees to up the participation. By taking a lunch count in the morning it would limit waste. The motion to accept the financial report was made by Becky Fitch and seconded by Tracy Lira and passed unanimously.

Old business:

Sunnyslope update: They are having a new student start Monday, and have not lost any students this school year. This will bring the total to 37 students. Conferences are currently going on, and they passed health inspections with a B.

PV campus update: food service audit went well just need to add a snack count to rosters in the after school classes. There is a financial audit next week.

New Business:

We want to update our mission statement for the charter. We want to use the statement that is on our website. Which is as follows:

The Mission of the Franklin Phonetic Primary School is to prepare students with the academic skills and personal attributes that will allow them to be successful in their future college and career choices. Students will be able to perform grade appropriate tasks in all academic areas.

Reading proficiency is strongly emphasized as it is the foundational skill upon which many other academic competencies are built. The school strives to insure that all children meet and surpass prescribed grade level expectations.

Children will learn to study, behave appropriately and value learning as they are taught in an exciting orderly classroom environment. By involving parents and including fine arts and foreign language instruction within the curriculum, the school strives to meet the needs of all students and please all families, including those who favor a more traditional approach to education.

Motion to accept the mission statement by Becky Fitch and seconded by Melanie Franklin and passed unanimously.

Next meeting scheduled for November 19, 2015 at 3:30pm. Motion to adjourn at 3:55pm was motioned by Kelly Hawley and seconded by Debra Denette, and passed unanimously.
