Mission

Change From

The International Charter School of Arizona offers challenging academic programs that will develop students to their fullest potential and prepare them to succeed on a local and global level.

Change To

ICSA endeavors to unlock the full potential of children through Academics, Athletics, Arts and Leadership. Our Vision will be delivered by high-quality, highly effective instructors in cooperation with supportive involved parents to work together and maximize each child's potential to succeed in academics and life. We focus on respect and character development as we prepare each child for the next step in his or her journey. We strive to inspire students to become life-long learners who understand and respect our culturally diverse world. To us and our students, learning means more than simply adding knowledge. It also means thinking critically about added knowledge and assimilating it in a broader cultural context. ICSA is committed to create a network of academically rigorous, traditional values-based, safe-learning environments to elevate academic achievement to internationally competitive levels among all students, regardless of geographic location, economic background, culture or ethnicity. Students will grow socially and academically in an environment where both Leadership and collaboration are stressed. Our curriculum design and instructional practices encourage students to discover new concepts, learn about them and apply that knowledge to achieve a bright future.

The purpose of this letter is to explain the overall plan for Hillcrest Academy and International Charter School of Arizona as they plan to merge entities.

It is the overall goal to merge the two entities and become one organization.

We plan to accomplish this with the approval of ASBCS in the following order.

- 1) Align the Governing Bodies of the two entities.
- 2) Align the Mission, Vision and Moto of the two entities
- 3) Align the Program of instruction for the two entities.
- 4) Decrease Grade Levels served by Hillcrest to K through 6
- 5) Decrease Grade levels served by ICSA to 7 through 12
- 6) New school site notification for Hillcrest to 3761 South Power Road (under Construction) effective 8-1-14
- 7) New school site notification for ICSA to 3916 East Paradise Lane, Phoenix, Arizona 85032 effective 7-1-14. Currently occupied by Pardes Jewish Day School.
- 8) Additional School site notification for Hillcrest at the ICSA campus effect 7-1-14
- 9) Additional School site notification for ICSA at the Hillcrest campus effective 8-1-14

As all of this is completed and the schools can successfully complete their missions, the two entities will begin the merger process of merging the two entities legally.

I hope that this letter helps explain what we are trying to accomplish. If you have any questions please feel free to give me a call at 480-399-0655
