NAEP 8th Grade Math Scores for General Education Students with College Graduate Parents, 2017

Our responsibility in this hostile world is to defend successfully the concept of human freedom from every assault, ideological, economic, or military. My opinion, after a careful review of my case, compels me to judge myself as a possessor of a full and happy past, a future more rosy than our sunset tonight, and a present more clear and sparkling than the sky that now becomes my blanket.

-Senator Barry Goldwater
