AMENDMENT REQUESTS

A change to a charter requires the consent of both the Board and charter holder. To obtain the Board’s consent for a change to a charter, the charter holder shall submit a charter amendment request to the Board. R7-5-303(A). Amendment Instructions and requirements are available on the [Board’s website](#).

The calendar below includes specific timeframes for the submission of expansion amendment requests. These submission timeframes provide the Board appropriate time to consider expansion requests prior to the beginning of the school year in which those changes will be implemented. Amendments that are not expansion requests may be approved by the Executive Director.

Expansion eligibility will be updated upon the release of updated A-F letter grades. Eligibility must be maintained until the Charter Board approves the Amendment Request, failure to maintain eligibility for expansion will result in the request being closed.
