Great Hearts Academies—Maryvale Prep Accounting Policy

Great Hearts Academies—Maryvale Prep (aka Great Hearts Academies—Maryvale Prep) will follow accounting policies and procedures that comply with generally accepted accounting principles (GAAP). This includes using an accounting system that provides for the proper recording and reporting of financial data and following standard internal control procedures. The school will utilize a chart of accounts that has been developed to align with the chart of accounts found in the Uniform System of Financial Records for Charter Schools (USFRCS) for the purposes of complying with budgeting and annual financial reporting. Revisions will be made periodically for changes in laws, regulations and accounting pronouncements that cover charter school accounting, financial reporting and compliance with state and federal laws.

Great Hearts Academies—Maryvale Prep Procurement Policy

Great Hearts Academies—Maryvale Prep (aka Great Hearts Academies—Maryvale Prep) will follow accounting policies and procedures that comply with generally accepted accounting principles (GAAP). Any procurement of goods and services shall be made by the procurement officer/authorized agent, in the best interest of the school, upon considering the totality of the circumstances surrounding the procurement, which may include but not be limited to, price, quality, availability, timelines, reputation and prior dealings.

Great Hearts Academies—Maryvale Prep understands that the policy cited above applies to purchases made using non-federal funds. As a condition of the receipt of certain federal funds, federal procurement requirements still apply.
