

AGENDA ITEM: Request to Expand Charter School Operations – Mohave Accelerated Elementary School, Inc.

Issue

Mohave Accelerated Elementary School, Inc. (MAES) submitted a request to expand charter school operations to increase their enrollment cap to 550. MAES did not meet the Board’s academic performance expectations for 2013 and 2014, and is asking for additional consideration from the Board to be eligible to apply for an expansion request that would include a Demonstration of Sufficient Progress (DSP). The charter has a current enrollment cap of 450.

Request

On July 15, 2015, Dr. Vickie Christensen, Charter Representative of MAES, submitted a letter (see letter attached on page 4) to Board staff requesting the Board’s consideration to allow MAES to submit an expansion request to increase the enrollment cap to 550 for implementation in FY 2016. In the letter, she wrote:

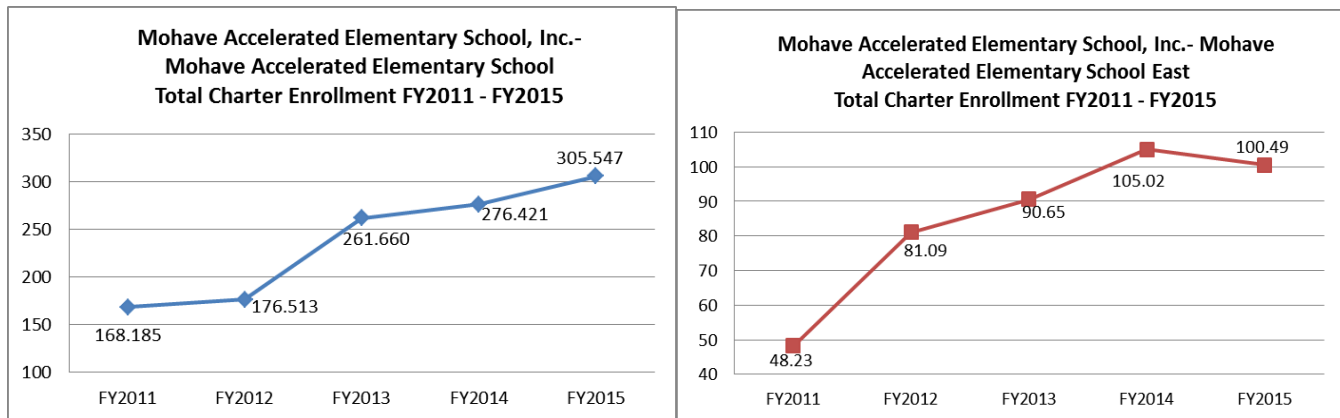

“The rationale for expanding was the following:

- Extensive waiting lists for students
- Having the correct amount of students to flow into our middle and high school, Mohave Accelerated Learning Center
- Providing a caring school for student and families in our community with Highly Qualified Professional staff
- A love for children and their futures!

Background

MAES was granted a charter on February 9, 2004 which became effective on June 8, 2004. In October 2012, the Charter Holder requested an increase in enrollment cap from 300 to 450 and is currently serving grades K through 5 at Mohave Accelerated Elementary School and Mohave Accelerated Elementary School East.

The average daily membership (ADM) for the charter based on 100th day ADM is provided below (Data provided by Arizona Department of Education):
