

Arizona State Board for Charter Schools

Occupancy Compliance Assurance and Understanding

The Arizona State Board for Charter Schools ("ASBCS"), at a meeting held on June 8, 2009, approved a revised policy that requires new and existing charter holders to submit a copy of a valid certificate of occupancy and current fire marshal inspection report for each location where educational services will be provided prior to the initiation of state equalization payments.

The ASBCS will request that the Arizona Department of Education ("ADE") withhold state equalization assistance payments for 1) new charter schools that have signed a charter contract, 2) new school sites under existing charter contracts, and 3) school sites under existing charter contract moving from one location to another until the school has submitted valid copies of the required certificate of occupancy and current fire marshal inspection report for the new educational facility.

Once the ASBCS office has verified that the appropriate documents for each location have been received, the ASBCS office will notify the school and the ADE School Finance Unit's Charter School Payment Manager that the school is eligible for payment. The ADE School Finance Unit will mark the school eligible for payment and a payment will generate in the next payment cycle if all other requirements of ADE School Finance have been met. Schools eligible for payment by the 20th of any month will generate a payment for the next month's payment cycle. Schools marked eligible after the 20th of any month will not generate a payment in next month's payment cycle. No off-system payments will be made.

By signing below, I understand the Board's policy and that I am required to submit an educational use Certificate of Occupancy and a current fire marshal inspection report to the ASBCS office for each of our school facilities. These documents must be verified by the ASBCS office prior to occupancy of the building and prior to receipt of equalization payments for students enrolled at this site.

I acknowledge that if these documents are not submitted prior to occupancy, the school's opening date may be postponed and/or the Board may take action as allowed by statute and the charter contract.
