Mission

Change From

Sonoran Desert School upholds as its highest priority each student's right to achieve meaningful academic success, and therefore the right to prosper emotionally and to prepare intellectually for adult roles. SDS offers a self-paced accelerated curriculum that features computer applications and individualized instruction to meet the needs of students who are behind in their academic credits.

Change To

Sonoran Desert School upholds as its highest priority each student's right to achieve meaningful academic success, and therefore the right to prosper emotionally and to prepare intellectually for adult roles. SDS offers a self-paced, challenging curriculum featuring computer applications and individualized instruction to meet the needs of students who would benefit from learning in an innovative, personalized school setting.
