

**AGENDA ITEM: Contract Consideration – Discussion and possible action on a modification to the terms included in the Charter Contract Amendment and Conditional Renewal Contract for Telesis Center for Learning, Inc.**

**Issue**

Telesis Center for Learning, Inc., has requested a modification to the terms included in the Conditional Renewal Contract for Telesis Center for Learning, Inc. to remove the reporting required for one of the schools it operates, Telesis Preparatory Academy.

**Background**

In June 2014, Telesis Center for Learning, Inc., which operates Telesis Preparatory serving grades K-8 and Telesis Preparatory Academy serving grades 9-12, was granted a Conditional Renewal Contract that required the development of a Conditional Renewal Accountability Plan and regular reporting on the that plan for both schools because the Charter Holder did not meet and did not demonstrate it was making sufficient progress toward meeting the Board’s Academic Performance Expectations through the DSP process. At the time of consideration, Telesis Preparatory had received an overall rating of Does Not Meet for two consecutive years; Telesis Preparatory Academy had received an overall rating of Does Not Meet in FY2012, but an overall rating of Meets in 2013.

In FY2014, Telesis Preparatory Academy received a second consecutive overall rating of Meets, while Telesis Preparatory received its third consecutive overall rating of Does Not Meet. Based on the FY14 performance, Telesis Center for Learning, Inc., requested an amendment to its renewal contract to eliminate Telesis Preparatory Academy from the requirements of the Conditional Renewal Accountability Plan as imposed by the Charter Contract Amendment and Conditional Renewal Contract. Academic performance dashboards for Telesis Preparatory and Telesis Preparatory Academy are provided below.

At its November 2014 meeting the Board approved modifications to the terms included in the Charter Contract Amendment and Conditional Renewal Contract for Telesis Center for Learning, Inc. The modifications waived the requirement of submitting documentary evidence of the implementation of the actions steps in the Charter Holder’s Conditional Renewal Accountability Plan for any school that received an overall rating of Meets or Exceeds for two subsequent years. As a result of the approved modification, Telesis Preparatory Academy was waived from submitting documentary evidence. The modification did not remove the requirement of submitting data to demonstrate that the academic performance for the schools is not declining.

Telesis Center for Learning, Inc. submitted required documentation and data for FY15 and has timely submitted required documentation and data for FY16.

On November 2, 2015 the charter representative for Telesis Center for Learning, Inc. submitted a written request to Board staff to be placed on the December agenda to request that Telesis Preparatory Academy be withdrawn from the requirements of the Conditional Renewal Accountability Plan.

## Data

Telesis Preparatory Academy currently serves grades 9-12. Academic performance data for FY15 and FY16 is provided to reflect the academic performance of the school that the Charter Holder has requested be waived from the reporting requirements of the Conditional Renewal Accountability Plan. Pre and Post test data from FY15 demonstrates an increase in the percentage of students passing during the course of the year. For FY16 only pre-test data is available, so no comparison in the increasing pass rate of FY15 is available at this time. FY15 Pre and Post-test and FY16 Pre-test results are provided in the table below. The data contained in the tables below are taken from Telesis Center for Learning, Inc.'s quarterly data submissions.

	FY15 Pre-Test	FY15 Post-Test	FY16 Pre-Test
