21. Alternative Dispute Resolution Procedures.

21.1 Dispute Resolution. All claims, disputes, and other matters in controversy ("Disputes") between the parties hereto arising directly or indirectly out of or related to this Agreement, or the breach thereof, whether contractual or non-contractual, and whether during the Term or after the termination of this Agreement shall be resolved exclusively according to the procedures set forth in this Section 21.

21.2 Mediation. No party shall commence an arbitration proceeding pursuant to the provisions of Section 21.3 unless such party shall first give a written notice (a "Dispute Notice") to the other party hereto setting forth the nature of the Dispute. The parties shall attempt in good faith to resolve the Dispute by mediation under the Commercial Mediation Rules of the American Arbitration Association ("AAA") in effect on the date of the Dispute Notice. If the parties cannot agree on the selection of a mediator within 20 days after delivery of the Dispute Notice, the mediator will be selected by the AAA. If the Dispute has not been resolved by mediation within 60 days after deliver of the Dispute Notice then the Dispute shall be determined by arbitration in accordance with the provisions of Section 21.3.

21.3 Arbitration. Any Dispute that is not settled through mediation as provided in Section 21.2, shall be resolved by final and binding arbitration in Phoenix, Arizona, governed by the Federal Arbitration Act, 9 U.S.C. §1 et seq, and administered by the AAA under its Commercial Arbitration Rules in effect on the date of the Dispute Notice, except that persons eligible to be selected as arbitrators shall be limited to lawyers with excellent academic and professional credentials (i) who are or have been a partner in a highly respected law firm or a law professor for at least 10 years specializing in either general commercial litigation or general corporate and commercial matters with experience in the field of joint ventures and limited liability company agreements and (ii) who have both training and experience as arbitrators. All such Disputes shall be conducted by a single arbitrator, unless the Dispute involves more than \$250,000 in the aggregate in which case the arbitration shall be conducted by a panel of three arbitrators. Each party shall be entitle to strike on a peremptory basis, for any reason or no reason, any or all of the names of potential arbitrators for the list submitted to the parties by the AAA as being qualified in accordance with the criteria set forth herein. In the event the parties cannot agree on a mutually acceptable single arbitrator from the one or more lists by the AAA, the AAA shall designate three persons who, in its opinion, meet the criteria set forth herein,

which designees may not include persons named on any list previously submitted by the AAA. Each party shall be entitled to strike one of such three designees on a peremptory basis, and shall indicate its order of preference with respect to the remaining designees, and the selection of the arbitrator(s) shall be made from such designee(s) which have not been so stricken by any party in accordance with their indicated order of mutual preference. The arbitrator(s) shall base their award on applicable law and judicial precedent and, unless the parties agree otherwise, shall include in such award the findings of fact and conclusions of law upon which the award is based. Judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

21.4 Costs and Attorneys' Fees. If a party hereto fails to proceed with mediation or arbitration as provided herein or unsuccessfully seeks to stay such mediation or arbitration, or fails to comply with any arbitration award, or is unsuccessful in vacating or modifying the award pursuant to a petition or application for judicial review, the other party shall be entitled to be awarded costs, including reasonable attorneys' fees, paid or incurred by such other party in successfully compelling such arbitration or defending against the attempt to stay, vacate or modify such arbitration award and/or successfully defending or enforcing the award.

21.5 Tolling of Statute of Limitations. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Section 21 are pending. The parties will take such action, if any, required to effectuate such tolling.
